ALL COUNTY INFORMATION NOTICE I-131-81

TO: ALL COUNTY WELFARE DIRECTORS

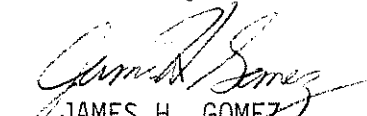

SUBJECT: Indian Resource Agencies Receiving Grants Under the Indian
Child Welfare Act of 1978 (ICWA)

Earlier this year, the Department of Social Services conducted training on implementation of the ICWA. During these training sessions, the Department was asked to make available a list of grantee tribes and Indian Organizations which are operating projects currently funded through Title II of the ICWA. The list of grantee agencies is attached.

Counties may consult with appropriate grantees for such purposes as identifying and securing expert witnesses as required under MPP 30-109.3445 (relating to Dependency Petitions). Since many of the grantee agencies also provide direct services and home finding services, counties may wish to consult them to coordinate delivery of available services and to identify Indian families for placements pursuant to the ICWA.

If you have questions, please contact your Family and Children's Services Program Operations Management Consultant at (916) 445-7653.

Sincerely,

JAMES H. GOMEZ
Deputy Director
